

# Cal Grant Program

California State Assembly

**V. Manuel Pérez**

ASSEMBLYMEMBER, 80TH DISTRICT

Dear Friend,

A college education is an important investment in your future, but finding sources of financial aid can be challenging and confusing. There are, however, many programs available to help you and your family obtain the support you need.

California's Cal Grant Financial Aid Program guarantees financial assistance to every qualified student who applies. Depending on the type of financial aid for which you qualify, books and room and board may also be subsidized.

Applications can be mailed or submitted online. Check with your high school counselor, college financial aid advisor, or simply download the application at [www.fafsa.ed.gov](http://www.fafsa.ed.gov).

It's very important that you submit your application by the **March 2nd deadline**. So, please don't delay.

If you have any questions, please contact my office.

Sincerely,

**V. Manuel Pérez**

# FINANCIAL AID PROGRAMS

**FEDERAL FINANCIAL AID** — This includes the federal Pell Grant, federal SEOG Grant, federal work-study and the federal Perkins Loan programs. The federal Stafford Loan programs and federal direct loan programs are available to almost all college students.

**LOAN PROGRAMS** — Qualified students and their parents can borrow money for education through low-interest federally supported loans. The loans are made by banks, savings and loans and credit unions and are guaranteed by the commission’s subsidiary, the EdFund.

**STATE FINANCIAL AID** — Administered by the California Student Aid Commission, state aid, for the most part, is reserved for California resident students with financial need as determined by the information contained on their free application for Federal Student Aid. In addition, the well-funded Cal Grant programs require academic qualification; a GPA Verification Form must be postmarked by March 2nd each year.

**PRIVATE SCHOLARSHIPS** — Hundreds of privately funded scholarships are available nationally to qualified students. Scholarships are considered gift aid, which does not have to be repaid, and are often awarded for merit in academics, athletics, or a particular field of study. Scholarships may also be awarded by ethnic background, religious affiliation and special interests.

*No matter what type of financial aid you may need, be sure to start looking early! Many programs have specific filing deadlines.*
